They are warnings that something is seriously wrong-not in the head, but in those intricate delicate and sensitive organs that distinguish her sex. Here it is that the wrong must be righted. While headache and dizziness are signs of danger, it is such an easy matter to drive them out. Wine of Cardui does it by regulating the menses. When regularity is established, the pains not only leave the head, but the sofferer finds herself feeling splendidly in every fibre. Her health comes back, and there is great satisfaction in knowing that life can be enjoyed to the full. Wine of Cardui is putting gladness and sunshine into many wo-
